# Royal Sovereign

BEYOND YOUR LAMINATORS
# INTRODUCING THE NEWLY MULTI APLICATOR
RSMA-1632

Built-in Media Holder

Dual Full Length Side Tray

Ergonomic Handle

Simplify laminating, mounting, and pre-masking with the RS Multi-Applicator flatbed application table.

Highlights

- **Open Access** – An under-the-table gliding bridge allows operators to easily pass graphics over the roller

- **Easy transportation** – Easy move in and out at tilted position. Easily move in regular size door

- **Bi-Valve Pneumatics** – Raise and lower roller on either side of the table at any time

- **One Person Operation** – A single operator can mount large full sheet graphics faster and more efficiently with the Multi-Applicator

- **Built-in Media holder** – Release roll media effortlessly
